What to do if You Breakdown

If Your Vehicle breaks down please call Our 24 hour Control Centre on:

01206 714705

Please have the following information ready to give to Our Rescue Controller who will use this to validate Your policy:

- Your return telephone number with area code.
- Your Vehicle registration.
- The precise location of Your Vehicle (*or as accurate as You are able in the circumstances*)

We will take Your details and ask You to remain by the telephone You are calling from. Once We have made all the arrangements We will contact You to advise who will be coming out to You and how long they are expected to take. Your mobile phone must therefore be switched on and available to take calls at all times. You will then be asked to return to Your Vehicle.

Please remember to guard Your safety at all times but remain with or nearby Your Vehicle until the Recovery Operator arrives. Once the Recovery Operator arrives at the scene please be guided by their safety advice.

If You are broken down on a motorway and have no means of contacting Us or are unaware of Your location, please use the nearest SOS box and advise the Emergency Services of Our telephone number, they will then contact Us to arrange assistance.

If the Police or Highways Agency are present at the scene please advise them that You have contacted Us or give them Our telephone number to call Us on Your behalf.

General Notes Relating to Europe - If You have broken down on a European motorway or major public road, We are generally unable to assist You and You will often need to obtain assistance via the SOS phones. The local services will tow You to a place of safety and You will be required to pay for the service immediately. You can then contact Us for further assistance. We will pay a maximum of £150.00 towards reimbursement of the costs, but We will only reimburse claims when We are in receipt of a valid invoice/receipt. Payment will be made in accordance with the exchange rate on the date of the claim. If You have broken down in a European Country during a Public Holiday, many services will be closed during the Holiday period. In these circumstances, You must allow Us time to assist You and effect a repair to Your Vehicle. We will not be held liable for any delays in reaching Your destination.

Change of Vehicle - Our policy only covers the Vehicle registered on Our database, therefore any change must be notified immediately by emailing: customer.service@CompareBreakdownCover.co.uk, or by writing to Myfinance.com Ltd, Bury House, 1-3 Bury Street, Guildford GU2 4AW or alternatively by telephoning 01483 347355. Please include Your policy number, the new registration, make, model and colour of Your Vehicle and the date You wish to make the change. If You do not notify Us of the new Vehicle details, We may not be able to supply You with a service.

Language - We have chosen to use the English language in all documents and communication relating to this policy.

Measurements - A Home Assist is calculated using a straight line from the Home Address to the location of the Breakdown. All other measurements are calculated using driving distances.

Garage Repairs - Any repairs undertaken by the Recovery Operators at their premises are provided under a separate contract, which is between You and the Recovery Operator.
